Compact Sustainable Business Partners are provided with an annual interview to determine common goals and identify cooperative methods to achieve those goals. A customized agreement of partnership activities is developed for each partner based on their particular needs and participation level. Specific services or cooperative initiatives will be developed as needed.

All Partners will receive the following:

- A new member welcome and Partner spotlight article in all Compact E-Newsletters.
- A listing as partner on the Compact website with a link to partner’s web page.
- Acknowledgement as corporate partner in Annual Report and program presentations.
- One or more complimentary registrations or tickets to educational workshops or special events.
- Partnership activity highlights on the Compact website, such as projects, case studies, tours.
- One or more Lunch and Learn type educational forums for partner organization.

**For additional details about specific benefits at each partnership level please contact
